

Exhibit D

Petition to Reject Voluntary Annexation North of NE 102nd Ave

We, the residents of the land east of I-35, north of NE 102nd Ave and west of NE 29th St. (the undersigned), ask the City Council of Ankeny to reject the voluntary annexation requested by DRA Properties, LC. The proposed annexation does not reflect the wishes of the residents, nor has the city disclosed future costs to the homeowners that result from the annexation. Iowa code section 368.7 allows 20% of non-consenting land to be annexed; however, section 368.6 clearly states that the intent of a voluntary annexation is to reflect the wishes of the residents of territory to be annexed (see below).

Iowa Code 368.6 Intent

It is the intent of the general assembly to provide an annexation approval procedure which gives due consideration to the wishes of residents of territory to be annexed, and to the interests of the residents of all territories affected by an annexation. The general assembly presumes that a voluntary annexation of territory more closely reflects the wishes of the residents of territory to be annexed, and, therefore, intends that the annexation approval procedure include a presumption of validity for voluntary annexation approval.

As previously stated, the residents of the territory unanimously do not wish to be annexed into the City of Ankeny, and thus we ask the City Council to reject the proposed annexation.
